

Nuclear Medicine Technologist

Canterbury Bankstown Nuclear Imaging (C/BNI),
Bankstown, NSW.

Applications are invited for the full-time position of,

“Nuclear Medicine Technologist” at our private practice situated in Meredith Street Bankstown. This position may be an in-charge position for a suitably qualified applicant.

Commencing Date for the successful applicant: December 2011 or January 2012.

The Bankstown practice is one of a group of four practices, the other sites being at Batemans Bay (Batemans Bay Regional Nuclear Imaging), Wollongong (Illawarra NI) and Nowra (Shoalhaven NI).

The successful applicant will join a group of dedicated and experienced accredited (ANZSNM) technologists. The Bankstown practice is accredited for training with the ANZSNM. Applicants should therefore be accredited with the ANZSNM as supervision of a PDY is required. We are seeking an enthusiastic person who is willing to learn and would enjoy working in a busy private practice environment.

The C/B practice has a Siemens E-Cam and Diacam and a General Electric Hawkeye 4 Hybrid Camera all networked via a centralised server.

An attractive salary package will be negotiated with the successful applicant

Inquiries to:- Mr. Gary Minch, ph. 02 42261755 (Illa.) or 0418 763528 (Mob.) or via email at garym@snig.com.au
